Re: Property Room Audit

On April 29th, 2013 I started to conduct an audit/inspection of the property room which is currently being used for processing and storage of evidence and property. The audit conducted on April 29th, 2013 was suspended when it became apparent that there were items included on the random sample list that were known to be missing prior to the Blue Line Systems Audit. A new audit list was constructed by Crime Analyst Ed Eads that excluded already known missing or compromised items, and on May 3, 2013 the audit continued. A random sample of 1013 items was generated by Ed Eads and provided for my use in item selection. A total of 1013 sensitive items (120 firearms, 94 cash/jewelry, 799 drugs) were examined. Each item was retrieved by Property Control personnel and presented for inspection. The inspection included matching the Property Number (PR#) from the list to the item retrieved. A log sheet of items inspected was maintained and a copy is also attached.

Assisting with the inspection/verification of items:

Sgt. John Rikard
Property Manager Tim Scapin

Property Control assisting with retrieval/selection:

Officer Chris Eby
Officer Philip Murphin
Officer Lynn Wilson
Officer Mike Godwin

Property Control numbers including case numbers are listed below for items that cannot be located at this time:

- 1) Property Control # 2606 Case Number 06-005753
- 2) Property Control # 10110 Case Number 07-006380
- 3) Property Control # 14735 Case Number 07-019673
- 4) Property Control # 15015 Case Number 07-020583
- 5) Property Control # 15227 Case Number 07-021438
- 6) Property Control # 18524 Case Number 07-033093
- 7) Property Control # 27593 Case Number 08-024654
- 8) Property Control # 33999 Case Number 09-006092
- 9) Property Control # 33999 Case Number 09-006092
- 10) Property Control # 51020 Case Number 10-025128
- 11) Property Control # 51366 Case Number 10-026164

Property Control # 25979/Case Number 99-41480 is listed as 29 white tablets, weighing 7.5 GM. This PR# is actually connected to two handguns that were listed under Case Number 99-272927 that was submitted on 11/10/1999 by Officer Chris Eby.

Also included with this report is the Criminal Complaint filed on 3/12/2006 involving Kent Daniel Williams. The paperwork entails three guns that were destroyed and one gun that was released.
